

TMY NEWS NO. 1341 "555" (555 NO.362)

Notice of Product Specification Change (Switching from Metal type to Plastic type)

We are pleased to announce that we will be changing the product specifications for the part numbers listed in the attached document as follows.

■ Part Number after changing product specification
The current part numbers will remain unchanged.

■ Details of changes
Before: Metal type
After: Plastic type

*There will be slight changes to the appearance, but all products will undergo quality inspections.
*Performance and quality will meet the same standards as before.

■ Changeover period
Scheduled to be phased in starting with shipments in August 2025.
Product specifications will be updated sequentially.

■ Important Notice
Please note that only SB-3962 (Metal type) will be changed both in specification and part number to SB-3964 (Plastic type).

We kindly ask for your continued support and patronage.

List of product specification changes

■ The following items are scheduled to be switched to the plastic type in the future.
